Chief, Military Economics Branch, D/I

Requirement for Source [REDACTED] 25X1A2g

REF : [REDACTED] February 1957, Confidential 25X1A2g

Background

1. In referenced report source indicated a good overall knowledge of the Hungarian military finance system. Although he was a finance clerk in the Hungarian Air Force from 1952 to 1955, there is no information in the above report concerning military pay.

Requirement

1. It is requested that source furnish any known pay data for enlisted men and officers within his particular unit or within the Air Force as a whole. In each case source should differentiate between rank pay, position pay and allowances.

2. How does pay in the Air Force compare with pay in the Army? Does source have any knowledge of specific Army pays?

3. Source stated that quarterly allocations for personnel pay were sent from the Ministry of Defense through corps, division and regimental headquarters. Does the source recall the amount of money allocated for any of these units within a given time period?

4. Does the source recall any budgetary categories used by the Ministry of Defense? These categories would include expenditures for personnel pay, food supplies, housing, etc., and would be designated by a numerical system.
